Witchelina – an arid land form reserve

Area: 421,000 ha (4219 sq km)
Location: 30 km north-west of Lyndhurst, South Australia
Acquired: 2010

Witchelina Nature Reserve is a former pastoral property that comprises a magnificent outback expanse extending from Lake Torrens in the south to Marree in the north. It spans three bioregions, the Willouran, Mulgarie and Marree, which in turn are divided into nine land systems. The conservation of Witchelina is a very significant attribute for biodiversity in South Australia.

Ecotourism opportunities include

- **4WD loops through the magnificent Old Mt Nor' West Gorge**
- **4WD 'Tag Along' guided tours**
- **Accommodation including: shearers quarters ($10 per person per night, suits large groups, BYO linen); managers quarters ($20 per person per night, BYO linen); bush camping along Red Gum lined Station Creek ($5 per person per night, basic toilet but no power or water, showers additional cost)**
- **Liesegang Rings visits**
- **Willouran Range sky-tour**
- **Termination Hill Walking Trail** (under construction)*

*Accommodation and tours are subject to operational requirements (researchers on site are given priority)
